Staff Profile

Suzanne Zhang
International Administrator

Hello, I am Suzanne Zhang, the new Administrator (International). I joined the international team of NZTC in early April.

I process applications and arrange interviews for international students. And I work closely with academic staff on the Selection Panel. I regularly check our international students' visa and insurance status, and send out reminders when necessary. It is my responsibility to make sure our current students meet the requirements of the NZ Ministry of Education and Immigration New Zealand.

I will provide continuous support to our international students during their entire program of study with NZTC.

If you have any enquiry, please do not hesitate to contact me by phone 09-5204000 or email suzanne.zhang@nztertiarycollege.ac.nz

NZTC Visits China in March 2012

Business Operations Manager James Ward and International Marketing Manager Audrey Wang travelled to China in March to promote New Zealand Tertiary College to Chinese education representatives.

In Beijing, James and Audrey participated in the 17th China International Education Exhibition Tour (CIEET) Fair and met with the government officials of the Ministry of Education (China) and Chinese Service Centre for Scholarly Exchange (CSCSE). They also visited consultancy agents and other key partners of NZTC in Beijing, Qingdao and Shanghai.

Children and Teachers of Qingdao Police Kindergarten played with NZTC's parachute

In Qingdao and Shanghai, James and Audrey visited several local childcare services. They provided NZTC's parachutes as the college gifts to the early childhood centres. NZTC representatives, staff and young children enjoyed themselves by playing various games with the parachutes.

By meeting with government officials and educational consultants, NZTC enhanced the cooperation in Early Childhood Teacher Education programs with Chinese partners. NZTC plans to offer Early Childhood Teacher Education programs in China in the near future.
