NZTC SHARES TE WHĀRIKI CURRICULUM IN INDIA

NZTC's India Team recently hosted a workshop centred on New Zealand's early childhood curriculum, Te Whāriki, in Mumbai.

Students of the college's educational partner Podar Institute of Education attended to learn more about the curriculum and its context within the Indian preschool community.

Led by NZTC India lecturer Akshada Chitre, Te Whāriki's principles, strands and goals were shared, with attendees engaging in fun, interactive activities while expanding their knowledge of early childhood education.

NZ NAMED 'BEST COUNTRY' FOR 5TH YEAR IN A ROW

New Zealand has been named the 'Best Country' for the fifth consecutive year in the 2017 Telegraph Travel Awards.

More than 87,000 readers of the British daily newspaper *The Telegraph* voted in this year's awards, which aim to recognise operators and destinations that continue to surpass travellers' expectations.

Readers heralded New Zealand's wines, outdoor adventure activities, natural beauty, Māori culture, climate and food as some of the reasons the country remains a firm favourite for Britons.

The top 3 in the 'Best Country' category has remained the same for the past four years, with the Maldives in second place, and South Africa in third place.

Click [HERE](#) to learn more about the reasons *The Telegraph's* readers voted for New Zealand.

ORIENTATION TO KICK OFF IN FEBRUARY

The NZTC Team are excited to welcome the first intake of students for 2018 at orientation in February!

New students of the college are expected to participate in the orientation relevant to their first semester of study at NZTC, which occurs in February, April, July and October of each year.

NZTC's orientation program is especially helpful for international students, as they get the opportunity to learn more about life in New Zealand, the college, Kiwi culture, and their city of study.

"The orientation sessions are a highlight for our team as we welcome new students to the country and the college, help them settle well in New Zealand and get them started on their study journey," said International Marketing Manager Audrey Wang.

"Orientation is a great opportunity for international students to get to know the many support systems available at NZTC during their program studies, such as pastoral support, IT help, academic skills support, library resources, registry and international support.

"Students also learn about the external support available, including counselling services, insurance, the health system, banking, police and emergency services, and Immigration NZ," she said.
